

Test Case CP-644: Checking the password recovery of the "Смотрите также" subsection of the "Новости и обзоры" section [Version : 1]

Author: sasya - 07/25/2022 19:26:29

Summary:

Current test case checks the password recovery feature on the <https://www.avtoradosti.com.ua/> website.

The password recovery button is located in the "Смотрите также" subsection of the "Новости и обзоры" section.

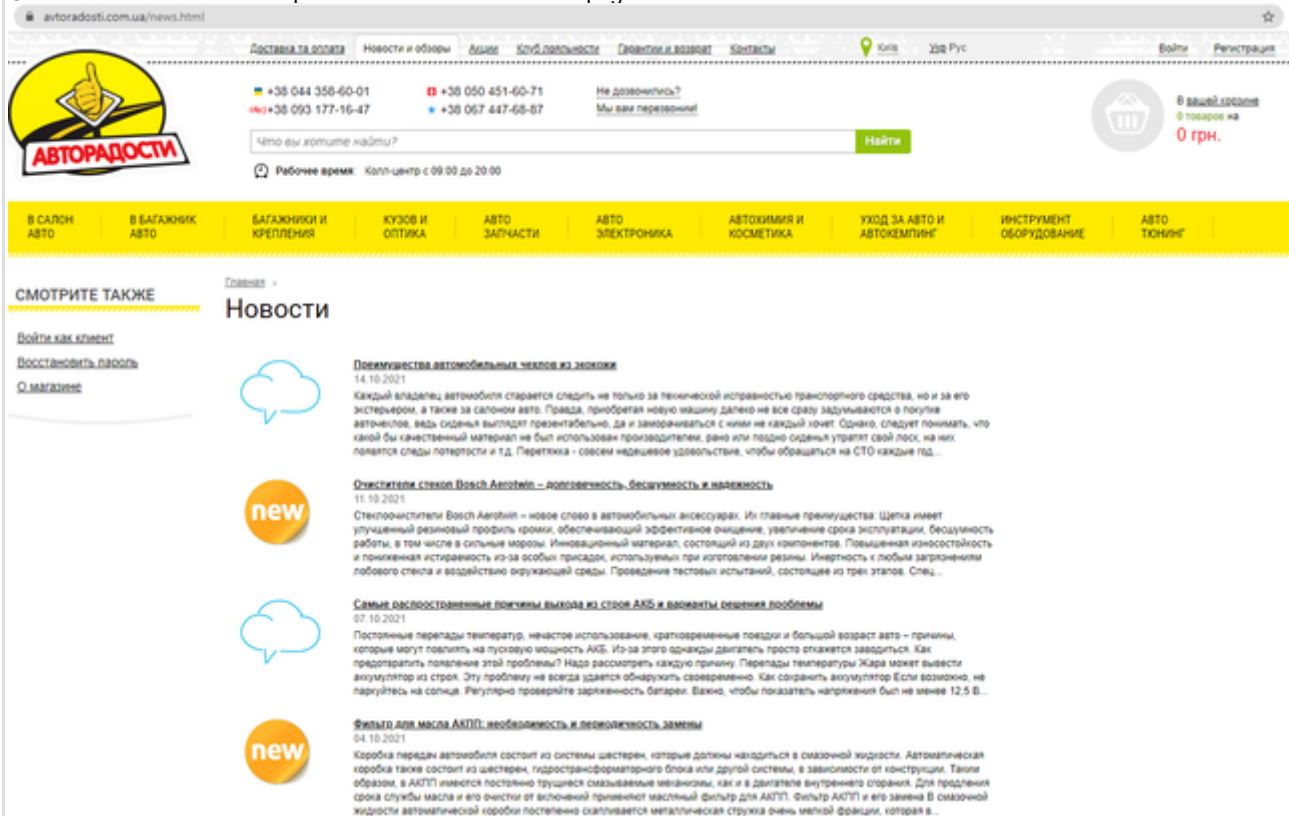

Preconditions:

The user is registered.

The page <https://www.avtoradosti.com.ua/> is loaded.

Initially no user should be logged in.

Click on the "Новости и обзоры" button in the header. The page is loaded as follows:

#:	Step actions:	Expected Results:
1	Click on the "Восстановить пароль" hyperlink in the "Смотрите также" subsection.	The hyperlink changes to grey on mouse hover. The page is loaded.
2	Enter the email in the email field previously used for registration.	The field accepted entered data
3	Click on the "Восстановить пароль" button below.	The button changes its color to light-green on mouse hover. The following message appears: "На ваш почтовый ящик было отправлено письмо с параметрами доступа к своему личному кабинету."
4	Check the email inbox messages for the password recovery message and follow the steps specified.	The message has been received, new password has been set.
5	Log in the system with newly created password.	Log in was successful, the system accepted new password.
